

Thriplow PTA are looking to spruce up the school grounds by painting/staining the fencing, planters, play equipment etc. Parents - please do get in contact if you can offer an hour or two to do some painting/staining! Thank you!

Thriplow Primary School

# NEEDS YOU!!

honouring

## the best playground boat & tractor design

Please colour in the attached boat and tractor templates to show us your design ideas. Templates should be handed into the office no later than Friday 21st May. Mrs Penty will then select the winners and the PTA will endeavour to recreate the design on the playground boat and tractor, so the winners will see their designs in the playground for years to come! Good luck!
