GIFT AID

☐

Please treat this, and any other donations I make in the future as a Gift Aid donation

GIFT AID DECLARATION

I confirm that I have paid or will pay an amount of Income Tax and/or Capital Gains tax for each tax year (6th April to 5th April) that is at least equal to the amount of tax that all the Charities (including churches) and Community Amateur Sports Clubs that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand that the Charity will reclaim 25p of tax on every £1.00 that I give.

NOTES ON GIFT AID DECLARATIONS

Please advise us if you:

- Want to cancel this donation in the future.
- Change your name or home address.
- No longer pay sufficient tax on your income and/or capital gains. Gift Aid is linked to base rate tax which is currently 20%. This allows us to reclaim 25 pence on each pound given.

- Higher rate tax payers can claim back the difference between basic rate and higher rate or additional rate tax.
- If you pay Income Tax at the higher rate or additional rate and want to receive the additional tax relief due to you, you must include all Gift Aid donations on your Self Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

Thriplow School

Cornerstone Classroom Project

What is the Cornerstone Classroom Project?

The Cornerstone Classroom Project is a refurbishment and extension of the main school building at Thriplow C of E Primary School. It will provide desperately needed classroom space for the existing pupils who are currently being taught in temporary areas.

The project will:

- Provide two new permanent classrooms to replace the existing make-shift facilities
- Expand the school's library and S.T.E.M. provision
- Provide a dedicated music room for individual music lessons
- Expand the toilet and cloakroom facilities
- Increase the staffroom provision to include a functional workspace

“Working together to make a difference”

ELEVATIONS OF THE PROPOSED NEW CLASSROOMS

Why is the Project necessary?

Thriplow C of E Primary is an academically successful school within the Diocese of Ely Academy Trust (DEMAT) and is at the heart of the village community. The school provides a broad, exciting and rigorous educational programme where the national curriculum is not just met but exceeded. In addition to their school based learning, the children are supported with educational visits, a wide range of sporting activities, and music, drama, language and KAPLA lessons, as well as being provided with the opportunity to develop their skills in the dedicated Wildspace area. Over and above all this, Thriplow children are encouraged to look beyond the school gates and 'make a difference' to the wider world.

A popular choice among prospective parents, the school has expanded since 2016 from four classes to six, to provide for the increased demand from both its catchment and neighbouring areas. The school is now at capacity and the new building project will provide desperately needed classroom space for existing pupils, replacing the small temporary areas in what was the old staffroom and an administration area. Furthermore, the new building project will enable the school to expand its music, library and S.T.E.M. facilities to meet the high aspirations that the staff have for the children in their care.

How will the Project be funded?

The project is estimated to cost approximately £350,000 (pending detailed budget costing).

Generous donations have already been received from the Daffodil Weekend Trust, School House Trustees, Ladybird Playgroup & Thriplow School PTA and to date, we have received or been promised the amazing sum of £68,000 (includes pledged funds).

But there is still work to do! Further donations are being sought from grant foundations, local and national businesses as well as the local community and friends of the school.

In the true spirit of Thriplow Primary School, we ask you to 'make a difference' and to buy a brick or donate what you can to enable Thriplow School to continue to thrive.
